Sir,

UNDER SECRETARY TO GOVERNMENT
26 JUN 1956
AGRICULTURE DEPARTMENT

Sub: Stores - Technical stores - Supply of the Artificial Insemination Centre, Mangalore - Sanction - requested.

-.-

The Artificial Insemination centre at Mangalore sanctioned in G.O.Ms.No. 1915 Agriculture Department dated 22-5-54 started functioning from 24-4-55 under the administrative control of the Community Project authorities and it was transferred to this Department with effect from 23-2-56 in accordance with G.O.Ms.No. 4102 Public (Rural Development Projects) Department dated 27-12-55.

2. The following items of stores which are very essential for day to day work, have not been supplied to the Artificial Insemination Centre:--

Items:	Approximate cost.
1. One Refrigerator.	Rs. 1,500--0--0
2. One sterilizer Koch's pattern (20" x 12")	275--0--0
3. One Hot Air Oven double walled with asbestos lining (18" x 18" x 16")	800--0--0
4. One steel desk side cabinet for storing sterilised equipment (23" x 20" x 32")	80--0--0
Total	2,655--0--0 or 2,660--0--0

At present the Refrigerator of the Veterinary Hospital is being utilised. But it is essential to have a separate refrigerator for the Artificial Insemination centre in the interest of the smooth working of the Artificial Insemination centre and the hospital as there are certain practical difficulties for storage of semen in the refrigerator, where the vaccines etc. are stored. There is a steam steriliser in the hospital but it is not quite convenient for use. Hence it is necessary to purchase all the items mentioned in para 2 above. I, therefore request Government to be pleased to accord sanction for the purchase of the four items of stores mentioned in para 2 at a cost not exceeding Rs. 2,660/- (Rupees two thousand six hundred and sixty only)

The expenditure is debitable to the relevant sub head under 41-Veterinary.

Yours faithfully,

25.6.56
